

The Roebuck is an excellent alternative to the larger Grange design. Featuring a similar front facade, the Roebuck boasts a fantastic open-plan living area that lets you take in the views whether you're in the kitchen, dining or living room. A secondary living space off the main entrance leads to the spacious master bedroom with a walk-in robe and ensuite. At the opposite end of the house are three minor bedrooms, each with built-in robes and the family bathroom. Functionality is not missed in this home, with ample storage and a convenient third shower in the laundry/mudroom.
