

The 3G

The 3G makes multigenerational living easy by giving everyone their own space. The home's intelligent four-bedroom, three-bathroom design creates two distinct living areas, with a separate entrance, ensuite and living space for bedroom 1. Upgrade with a kitchenette and laundry to create a fully self-contained unit under one roof. So, whether you're imagining a great family home with a private wing, your parents or adult children are planning to live with you but still want their privacy, or you're looking for a clever rental opportunity - the 3G can work for you!
